Malvern College Qingdao

MALVERN College's first international campus, Malvern College Qingdao, opened in September 2012. Located just outside Qingdao, in China's Shandong Province, Malvern College Qingdao is thought to be the first purpose-built international secondary school for Chinese nationals that is backed by a leading independent UK school and licensed by the Chinese authorities.

The school operates from a new purpose-built campus of around 50 acres, which, alongside extensive teaching and boarding facilities, also includes an indoor swimming pool, a large fitness suite, a very well equipped visual and performing arts centre, third-generation Astroturf and outdoor barbecue area. The famous Laoshan mountains, birthplace of Taoism and the source of Laoshan spring water, form a backdrop to the campus.

Malvern College Qingdao is a full boarding school offering IGCSEs and A-levels. In general, Chinese junior high school graduates with a good level of English can enter Upper 5th and complete these courses in 3 years. Younger students can apply for Lower 4th, Upper 4th or Lower 5th, which ensures valuable time for a greater focus on developing high level English skills alongside the curricular programme.

Subjects currently offered for external examinations include Maths, Further Maths, Chemistry, Physics, Biology, Business Studies, Economics, Computer Science, Geography, History, Psychology, Music, Art and Chinese. English as a Second Language is taken at IGCSE and students receive thorough preparation for IELTS/TOEFL exams. All students have regular Physical Education sessions.

Malvern College Qingdao offers a rich programme of co-curricular activities and is a registered body for the International Duke of Edinburgh award scheme. There is an active Music department and regular opportunities to perform.

All students are supported through a comprehensive pastoral system, with support from their Form Tutors and Heads of Year, and in the boarding houses by their House parents and Assistant House staff.

The school is managed by the Headmaster and his Senior Management Team, in partnership with the College's Chinese partners.

“Working at MCQ has been a great place to have the opportunity to take on responsibility and develop skills in middle management and in EAL teaching in my subject area.” All quotes are from MCQ teachers

Working with Malvern College Qingdao

THE SUCCESS of our school depends on a committed, inspiring and experienced team of staff with a clear understanding of the British independent education ethos embedded in the school and the flexibility to adapt to the demands of living and working in an international setting.

The academic and pastoral provision in Malvern College Qingdao is staffed predominantly by fully qualified, experienced, native-level English speaking teachers. The large majority of teaching staff come from the UK, many having taught in other international schools previously. Our staff all demonstrate a full commitment to the holistic education which is at the heart of a Malvern education, contributing fully to the academic, co-curricular and pastoral provision, and life in boarding houses where applicable.

"As the school is still young there are still many areas for development that teachers are able to get involved in. Opportunities for teachers abound here. If you come to MCQ you need to be a lot like China itself - outward looking and eager to try new experiences!"

Expat staff work closely with local support staff to ensure strong communication between school and home and a smooth transition to an international British curriculum school environment for all students.

Comfortable accommodation is provided for all expat staff on campus, either in the boarding houses or in the separate staff accommodation building. There is an active staff welfare committee which organises regular staff social events. Following appointment the HR department will assist with all administrative and visa-related matters to ensure you have a smooth transition to MCQ.

"China has been the 4th country I've taught in and it has been both a stimulating and, at times, challenging environment. The challenges though have been made ever so much easier to deal with as a result of the tremendous support the Chinese staff at MCQ provide to foreign teachers."

Qingdao

QINGDAO is a major seaport in Shandong Province, looking out over the Yellow Sea and one hour's flight from Beijing and Seoul. It has a rich heritage and a temperate climate. Qingdao hosted the sailing events at the 2008 Beijing Olympics.

The school is situated about an hour's drive from the centre of Qingdao, in the Chengyang district. The main supermarket is a 30 minute bus ride away and local shops are a 5 minute walk away. Transport is arranged to and from the city centre for staff every weekend during term time. The nearby Fushan and Laoshan mountains are good for walking and trail running.

For travelling to and from China the airport is a 20 minute drive from the school. There are direct flights to the UK (Heathrow Airport) from Qingdao with Beijing Capital Airlines or there are flights to Europe via Hong Kong, Seoul, Beijing or Tokyo. Regular flights to Shanghai and Beijing provide connections to many other locations.

It is one of the most affluent and fastest growing cities in China and has one of the best air qualities in China.
